Kennedy Collectors Overseas

Peter Klages is a KPIC member from Garching, Germany. We published a few photos in the February issue showing a thumbnail view of his collection. Actually the better term to describe it would be his Private Kennedy Museum. Here are additional views...

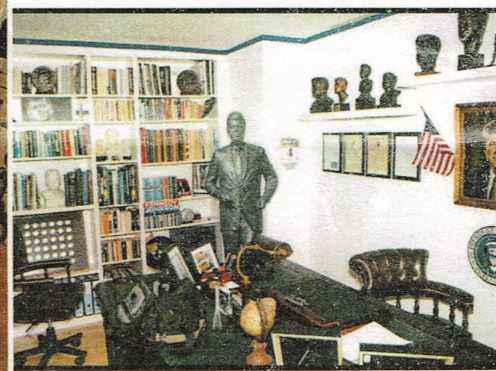

Peter Klages (above) is a real estate developer living in Garching, Germany (15 kilometers (10-12 miles) from Munich). He has long been an admirer and collector of John F. Kennedy Memorabilia.

His collection includes a great variety of materials as you can see... photographs, posters, busts, life-size figures, plates, coins & tokens, signed letters, and much more.

He is a long time Kennedy collector who has made several visits to the U.S., including Boston, Washington DC, and Dallas.

Peter has an extensive Kennedy-related Library of books, including the campaigns, The family, and history.

A Presidential carpet adds to the feeling of John F. Kennedy's presence in the room.

JFK Memorabilia surrounds the replica Oval Office desk in Peter's museum.
