Kennedy Book Exhibit Planned for 2017

May 29, 2017 will be the 100th anniversary of John F. Kennedy's birth. Many people remember the date of his assassination on November 22, 1963, and its anniversaries, but few consider his birthdate.

It is very hard for us who have lived through that time to think of JFK as being "old". He will forever remain that young man of 46 years who was so suddenly taken from us. I hope to encourage people to remember his birthday more than his death.

I am planning a small exhibition in Munich or Berlin to coincide with his 100th birth anniversary in 2017.

I want to present as many Kennedy-related books as possible, including the assassination and the conspiracy theories that go with them.

It would be very much appreciated if fellow Kennedy collectors and KPIC members could provide books - duplicates or unwanted from their collections to help put this all together.

My name is Peter Klages. I live in Garching, Germany (about 18 kilometers from Munich). I have been collecting Kennedy for nearly 40 years and have a strong desire to keep the memory of your 35th President of the United States alive through my collecting and through displays and exhibitions.

My mailing address is **Peter W. Klages, Einsteinstr. 45, 85748 Garching Germany** and my email address is **peterklages@john-f-kennedy.org** Please contact me.

Also, I am searching for a signed Kennedy letter or photograph, any signed item - signature, autopen, secretarial - anything that is dated with **September 3, 1958 (or just September, 1958)**. That is my birth date, and it has been a dream since I began collecting. This dream could also be fulfilled with that day from any other year. If any fellow KPIC members have suggestions or contact information, please let me know. Thank you.
